TITLE CHRISTIAN NATIONALIST PARTY, aka.			CHARACTER OF CASE INTERNAL SECURITY - X

SYNOPSIS OF FACTS:

GERALD L. K. SMITH, Director of Christian Nationalist Crusade, conducted meeting at Washington, D. C., June 20, 1954, according to informant, who advised that in his speech, SMITH attacked an alleged international Zionist plot; advocated passage of the Bricker amendment "or something similar"; expressed opposition to the Anti-Defamation League; voiced adverse criticism of the UN; stated present income tax is unconstitutional; stated he had been told of a "superplot" to destroy the McCarthy Committee, the V elde Committee, and the Federal Bureau of Investigation. Among vital issues facing the country, SMITH mentioned the UN; control of atom and hydrogen bombs; spirit of EISENHOWER vs. spirit of McCARTHY; world government; "invasion by immigration"; racial "mongrelization"; and survival of Christianity. SMITH quoted from what he said was a speech made in 1952 or 1953 by one (phonetic) before a world conference of elders of Zion, which speech purportedly stated that in a third world war, Israel will remain neutral and will assume domination when both sides are exhausted. Information set forth from reports filed by subject organization with Clerk of U. S. House of Representatives with regard to financial matters, which reports have been filed by subject organization pursuant to Federal Corrupt Practices Act.

DETAILS:

At Washington, D. C.:

Meeting Held June 20, 1954

[] of unknown reliability, who is in a position to have knowledge of some of the activities of GERALD L. K. SMITH, stated that it was expected that approximately 55 persons would attend a gathering to be held by SMITH on the evening of June 20, 1954, at Washington, D. C.

[] of known reliability, stated that SMITH addressed a group of persons on the evening of June 20, 1954, in Suite #312, Congressional Hotel, 300 New Jersey Avenue S.E., Washington, D. C. [] furnished the following information concerning this meeting:

The meeting opened at about 8:20 p.m. with the Pledge of Allegiance to the Flag, followed by the Lord's Prayer.

The speaker was GERALD L. K. SMITH, who mentioned that the Christian Nationalist Crusade was under his direction. SMITH devoted a considerable portion of his speech to attacking an alleged international Zionist plot. He stated that he was a mature student of the "Jewish problem", and that he knew that if you fight Communism, you are going to get in trouble with the Jews. He stated that "we" monitor Jewish journals, and that these publications seem to be opposed to ROY COHN, Chief Counsel of the McCarthy Subcommittee. SMITH stated that there was a time when he, SMITH, would not say the word "Jew", and that the conventional press as well as the radio was open to him, at that time. He said that radio and television had been closed to him.

SMITH said that he had instructed a [] [] to visit every Congressional office. He said that, in connection with the publication, "The Cross and the Flag", it was his understanding that none of the Congressional offices wanted it stopped--not even (Congressman) FRANKLIN ROOSEVELT's office. He said that Congressional secretaries were complaining because their employers took "The Cross and

the Flag" home with them to read at night. During his speech, he stated that any mind that can represent Senator McCARTHY as a "Hitler" or a "Stalin" is warped.

SMITH also said that an investigator had told him of the uncovering of a "superplot" to destroy the McCARTHY Committee, the VELDE Committee, and the Federal Bureau of Investigation. He said that what "they" really want to destroy is the Federal Bureau of Investigation. He mentioned a book by MAX LOWENTHAL which he said was a smear against the Federal Bureau of Investigation. He said that the man "they" are after is J. EDGAR HOOVER, and that "they" are after the files of the Federal Bureau of Investigation.

SMITH further stated that there are fourteen critical issues involved in the affairs of our nation on which decisions are to be made, and if we lose on any one of them, we are going to lose our country. SMITH mentioned the following as being among these issues: The United Nations; the control of the atom bomb and the hydrogen bomb; the spirit of EISENHOWER vs. the spirit of McCARTHY; invasion by immigration; racial "mongrelization"; and, the most important one, survival of Christianity.

The informant advised that SMITH said he and two members of his staff had spent all of the preceding week in New York City contacting people connected with the United Nations who were in a position to give him information either favorable or unfavorable to the UN. SMITH said that as a result of an agreement made in London between MOLOTOV and ALGER HISS, a certain UN military position must always be held by a "Red" citizen. He said that Generals MacARTHUR and VAN FLEET had had to confide their plans to the Reds, and that this is why "we lost the Korean War". He advocated passage of the Bricker Amendment "or something similar". SMITH mentioned that on the preceding Friday morning he had written a letter to every member of the United States Senate. He also mentioned that on the preceding evening, "a man of great intelligence" had been kind enough to tell him that he (SMITH) was one of the first to "expose" OPPENHEIMER as "red".

SMITH stated that international control means Jew control.

He quoted from what he said was a speech made ^{either} on January 12, 1952, or on January 12, 1953, in Budapest before a congregation of Jews met for a world conference of elders of Zion. SMITH said he had received a copy of this speech, which he said was made by one [redacted] (phonetic). SMITH said he did not accept it as authentic until it had been authenticated by a man who had been one of the most competent research men in the Congressional Library. [redacted] "speech", according to SMITH, stated that in a third world war, Israel will remain neutral, and when both sides are exhausted, Israel will arbitrate; that this war will end for all time their struggle against the Gentiles. He added that the speech stated that the Jewish control commission would forbid "whites" to intermarry.

SMITH stated that he had been in conference on the preceding night with a man formerly with the State Department, and that this man had told him that EISENHOWER and others ^{had} permitted the Russians to send their executioners and judges into France, where they hunted down people, brought them into court and required their execution. SMITH also said that "a great newspaperman" told him that the President never reads a newspaper or a magazine.

SMITH stated that there is no way to form a new party in the United States; that "we" must capture part of both, or all of one, of the old parties. He also said that the present income tax is a violation of the Constitution, and should never have been approved.

SMITH referred to propaganda that Russia is persecuting the Jews, which he said was a joke. In discussing "invasion by immigration", he said that persons coming to the United States as refugees will not be refugees, but will be Russian agents leading a Fifth Column.

He also stated that during that current week he had filed with a committee a request that they investigate the Anti-Defamation League, which league, he said, campaigns for Congressmen and Senators.

In discussing the racial situation, SMITH said that the week

after (Attorney General) BROWNELL had brought "such pressure" upon the Supreme Court, he had flown to attend his daughter's graduation from a private school. SMITH further expressed doubt that the children of (Chief Justice) WARREN would attend non-segregated schools. He also mentioned that HARRY DEXTER WHITE was a part of the United States Treasury at a time when WHITE loaned our money-printing plates to Russia to print occupation money.

SMITH said that American soldiers had "kicked in" and built their own churches in Korea, with crosses on top of them, but that authorities had ruled that the cross was a sectarian symbol and could not be so used. He stated that the Jews crucified the Founder of this civilization. He quoted what he said was an excerpt from a book by BEN HECHT entitled "A Jew in Love": "If I had been there when Christ lived, I would never have crucified Him; leave it to the mob to bungle such matters; I would have thrown Him to the lions" SMITH stated that one of the Popes had said that Jews should wear insignia to identify them.

[] stated that a collection was taken up at the meeting, and literature was distributed. He advised that SMITH stated that everyone present who gave \$1.00 or more would receive a packet containing the [] (phonetic) speech, and that any person present who contributed \$5.00 or more would be sent Senator TENNEY's latest book.

SMITH also stated that he did not come to Washington to make a speech, but to lobby. He also said that Negroes are innocent, helpless people who are being manipulated.

The informant advised that the above-mentioned meeting adjourned about 10:45 p.m.

Newspaper Items

The column of DREW PEARSON, which appeared in the December 19, 1953, issue of the Washington "Post", stated that GERALD L. K. SMITH had come to Washington during the preceding week and had held a secret meeting at the Statler Hotel, to which meeting only those carrying letters signed by SMITH were

WFO 100-25634

admitted. It was stated, "This column got hold of a letter and sent a representative to the meeting."

The Washington "Evening Star", daily newspaper, for February 2, 1954, Page A-5, Column 1, contained an article headed "Senators Defer Action on Confirmation of Chief Justice WARREN". The article referred to a hearing held on that date by the Senate Judiciary Subcommittee with regard to confirmation of Chief Justice EARL WARREN. The article stated that one of the opposition witnesses was the Rev. WESLEY A. SWIFT of Los Angeles, who said he represented the Christian Nationalist Crusade, headed by the Rev. GERALD L. K. SMITH and also the American Anti-Communist League. The article stated in part, "The Rev. Mr. SWIFT said his organizations opposed Mr. WARREN principally because as Governor he had vetoed bills to require public school teachers to take a loyalty oath."

- FINANCIAL DATA -

The remainder of instant report concerns financial data relating to the subject organization for the years 1952 and 1953. The information set forth was obtained from reports filed by the subject organization with the Clerk of the United States House of Representatives, Old House Office Building, Washington, D. C.

Four periodic reports were filed by the subject organization during each of these two years, although the reports are not on a strictly quarterly basis. Each report purports to contain information for a period beginning with the first of the year. Therefore, the year-end reports for 1952 and 1953 are the only ones for those years which have been reviewed in their entirety in connection with the preparation of instant report. However, certain information relating to loans and debts has been included from the interim reports, it being noted that certain loans appear to have been liquidated by the end of the year.

As a matter of interest, in connection with sources of income, the following is noted:

Each of the above-mentioned yearly reports includes a list of contributions totaling \$100.00 or more. The report for 1952 sets forth two items, as follows, under the heading, "Total Receipts":

On hand Jan. 1, 1952:	\$8,122.66
Donations Jan. 1-Dec. 31, 1952:	202,359.71

By adding the listed 1952 contributions totaling \$100.00 or more, the total of those listed is found to be \$62,041.51. If it be assumed that this figure accurately represents the sum of all contributions totaling \$100.00 or more, and same is deducted from the above-mentioned "Donations" total of \$202,359.71, then the difference, \$140,318.20, would appear to represent the sum of contributions totaling less than \$100.00 for the year 1952.

The 1953 year-end report contains an item shown as "Total

Received" of \$191,943.18. The listed 1953 contributions totaling \$100.00 or more are found to add up to \$36,794.58. Although the interim reports, as pointed out above, were not reviewed in their entirety, it was noticed that the organization's report for the period from January 1, 1953, to May 31, 1953, lists "Seattle Bible Class" as having contributed \$200.00, which contribution does not appear in the list of contributions in the year-end report. This amount, if added to the above-mentioned \$36,794.58, would bring the apparent total of 1953 contributions totaling \$100.00 or more to \$36,994.58. This amount subtracted from the "Total Received" of \$191,943.18 would leave a balance of \$154,948.60.

Information obtained from the above-mentioned reports filed by the subject organization with the Clerk of the House is set forth on following pages.

It was noted that the 1952 year-end report, notarized January 9, 1953, reflected that it was compiled by DON LOBBECK, Secretary. The files of the Clerk of the House also contain a letter dated January 10, 1954, on letterhead of the Christian Nationalist Crusade, which is described as "A Political Committee". The name of GERALD L. K. SMITH appears on the letterhead as Director. Eastern headquarters are shown as P.O. Box 4163, Tulsa 9, Oklahoma. Western and chief mailing headquarters are shown as P.O. Box 27895, Los Angeles 27, California. This letter enclosed report for the Christian Nationalist Crusade (Party) for the period of January 1, 1953, to January 1, 1954. The report reflected that it was compiled by

LOANS--1952

It has been pointed out previously herein that in obtaining the above data concerning financial affairs of the subject organization for the years 1952 and 1953, only the year-end reports filed by the organization with the Clerk of the House of Representatives have been reviewed, in view of the apparently cumulative nature of the reports for each of those years. Thus, the reports for the first three ^{fractions} periods of each of the years were not reviewed in their entirety.

It is observed that the information set forth above as obtained from the subject organization's report covering the period from January 1, 1952, to January 1, 1953, includes, under the heading "Expenditures", an item listed as "Loan Fund", in the amount of \$10,000.00.

The same year's report, also under the heading "Expenditures", contains an item listed as "Loans Paid", in the amount of \$2,096.00.

Another item listed in the same year's report (1952) consists of a heading, "Debts Outstanding", under which the following are listed:

Donley Co.	400.00
D. LOHBECK	1,000.00
Manney Prtg. Co.	900.00

In addition, in the course of reviewing reports of the subject organization filed with the office of the Clerk of the House, certain items relating to loans and debts were noticed in the periodic reports for the first three fractions of the year 1952 which it has been deemed advisable to show below:

As reported in the report of SA [REDACTED] made at Washington, D.C., 10/13/54, in the case entitled, "Christian Nationalist Party, Aka, IS-X," GERALD L. K. SMITH, on June 30, 1954, addressed a group of people in the Congressional Hotel, Washington, D.C. During the course of this talk, SMITH mentioned that the Christian Nationalist Crusade was under his direction. The general tenure of his talk was extremely anti-Jewish in sentiment. During the course of his talk, SMITH attacked an alleged international Zionist plot; advocated passage of the Bricker amendment "or something similar"; expressed opposition to the Anti-Defamation League; voiced adverse criticism of the UN; stated present income tax is unconstitutional; stated he had been told of a "superplot" to destroy the McCarthy Committee, the Velde Committee, and the Federal Bureau of Investigation. Among vital issues facing the country, SMITH mentioned the UN; control of atom and hydrogen bombs; spirit of EISENHOWER vs. spirit of McCARTHY; world government; "invasion by immigration"; racial "mongrelization;" and survival of Christianity. SMITH quoted from what he said was a speech made in 1952 or 1953 by one [REDACTED] (Phonetic) before a world conference of elders of Zion, which speech purportedly stated that in a third world war, Israel will remain neutral and will assume domination when both sides are exhausted. Information set forth from reports filed by subject organization with Clerk of U.S. House of Representatives with regard to financial matters, which reports have been filed by subject organization pursuant to Federal Corrupt Practices Act.

FROM:

SA [REDACTED]

SUBJECT: BOMBINGS AND ATTEMPTED BOMBINGS
IN SOUTHERN COMMUNITIES
RACIAL MATTERS
BUFILE 62-245

By airtel dated October 16, 1958, the Bureau advised the following:

"ReBuairtel to all continental offices dated October 13, 1958, captioned "Informant Coverage In Organizations Which May Be Engaged In Violent Activities Involving Minority Groups" and SAC Letter 58-63 dated October 13, 1958, dealing with press statements in bombing cases having apparent racial or religious basis.

In carrying out our responsibilities to give full assistance to local police departments and in determining whether any Federal violations under the Bureau's jurisdiction exist with respect to bombings and attempted bombings, there is a possibility that "hate" groups such as the Washington White Citizens Council, the National States Rights Party and the Confederate Underground may be involved either in the planning of or the actual carrying out of these terroristic activities. As a part of our over-all investigative effort to determine the identities of those responsible for the bombings, the Bureau has initiated a program of immediately launching intensive investigations of "hate" groups. should be kept firmly in mind at all times that the primary purpose of the intensive investigations of these "hate" groups is to determine whether the leaders or members of these groups are involved in any way in the bombings which have taken place since January 1, 1957.

In order to assist the field, the Bureau has compiled the following list of known "hate" groups for use in implementing this program.

American Committee for the
Advancement of Western Culture
105-22853

(New York)

This organization was promoted in 1953 by the National Renaissance Party and like this organization, was strongly anti-Semitic and pro-Nazi. Investigation was discontinued in 1953 due to inactivity of the organization.

Christian Anti-Jewish Party
65-15743

(Atlanta)

This organization was founded in Atlanta, Georgia, in 1945, by Jesse B. Stoner, a former member of the Associated Klans of America. This organization is anti-Negro, anti-Jewish and a strong advocate of white supremacy.

Christian Educational Association
of Union, New Jersey
105-9621

(Newark)

The Christian Educational Association is the publisher of "Common Sense," formerly known as "Think Weekly." The address of its publisher, Conde McGinley, is 530 Chestnut Street, Union, New Jersey, and the publication itself is a biweekly newspaper with a fluctuating circulation of between 30,000 and 100,000 copies. The material in "Common Sense" has been described as some of the most vitriolic hate propaganda ever published and generally "Common Sense" depicts communism as Judism and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities.

BS 62-3731

Christian Nationalist Crusade,
also known as Christian Nationalist
Party of America
62-43818

(Los Angeles)

The Christian Nationalist Crusade was organized in St. Louis, Missouri, in 1947 and has its headquarters at the present time in Glendale, California. This organization, as well as its subsidiary organization, the Christian Nationalist Party of America, reflects the imprint of its director, Gerald L.K. Smith, whose basic argument has been that the United States is threatened by anti-Christian and racially "mongrelizing" forces such as communism and internationalism, all dominantly motivated by international Jewry. While it is not known whether Smith and his close associates have inclinations to illegal action, the tenor of their public statements and programs is intensely anti-Semitic.

Christian Patriots Crusade,
also known as American Christian
Patriots Party
105-53447

(Chicago)

This is a one-man organization operated by F. Allen Mann in Hinsdale, Illinois. Mann publishes "The Revere," which has been described as anti-Semitic, pro-Fascist and pro-segregation in nature.

Confederate Underground
105-70219)

(Atlanta)

Allegations have been received during July, 1958, that this group was involved in racial bombings in Miami, Birmingham, and Nashville. Its head is allegedly Jesse B. Stoner, associated with the Christian Anti-Jewish Party. Its activities are being discreetly checked to determine whether these activities bring the movement under the provisions of Executive Order 10450.

National Citizens Protective
Association
105-16510

(St. Louis)

The main purpose and objective of this organization, which was formed in 1951 with headquarters in St. Louis, is advocacy of racial segregation and opposition to racial integration. Its constitution calls for the preservation of the purity of the white race in America by maintenance of the separation of the races. This organization published two

BS 62-3731

monthly periodicals entitled "The White Sentinel" and "White American News Service." It has been reported that the organization has had no success in the establishment of chapters throughout the United States but that it continues to publish and distribute large amounts of anti-Negro printed matter.

National Renaissance Party
62-83296)

(New York)

This organization is anti-Semitic, anti-Negro and neo-Fascist in nature with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole and its main function is the distribution of the "National Renaissance Bulletin" and distribution of pro-Arab literature obtained from official Arabian establishments in New York City.

National States Rights Party
105-66233

(Indianapolis)

This organization claims to be a legitimate political party, however, its members include past members of various Klan organizations and notorious anti-Semites. While individual members have, in the past, advocated violence, no information has been developed to date indicating the organization itself advocates or approves acts of force or violence aimed at denying others of their constitutional rights.

Nationalist Party, also known as
United States Nationalist Party
105-33261

(New York)

This organization is basically a one-man organization formed in New York City by [redacted] It was reportedly an anti-Negro, anti-Catholic and anti-Jewish organization. It published spasmodically in 1955 and 1956, the "Nationalist Party Bulletin."

Nationalist Conservative Party
105-39509

(Chicago)

Formed in 1954 by [redacted] a sponsor of the defunct German-American Bund, ostensibly to develop a third major political party. This organization has had limited contacts with such notorious anti-Semites as [redacted] and [redacted]
[redacted]

b6

BS 62-3731

Silver Shirt Legion of America
61-7587

(Indianapolis)

This organization, headed by William Dudley Pelley, was extremely active prior to World War II and was considered neo-Nazi and anti-Semitic in nature. This organization has been designated by the Attorney General pursuant to Executive Order 10450. Pelley served a Federal sentence for his activities and since his release in 1950, has been printing material of a noncontroversial nature. No information concerning the organization or Pelley has been recently received and since it is not known whether Pelley has resumed his old practices, a check of the organization seems warranted at this time.

White Citizens Council of the District
of Columbia, also known as Washington
White Citizens Council
100-423395

(Washington Field)

This organization, headed by Frederick John Kasper, the notorious segregationist, is violently anti-Semitic and anti-Negro. The organization was responsible for an extensive antisegregation literature campaign in 1957 and 1958.

"Williams Intelligence Summary"
105-10091

(Los Angeles)

This publication is a monthly news letter of obvious anti-Semitic nature prepared by Robert H. Williams, Santa Ana, California. Williams claims to have vast experience in the intelligence field dealing with the communist menace. However, pertinent records reflect he was associated in a limited capacity with Air Force Intelligence during World War II. Material printed by Williams is often reprinted in "hate" publications such as "Common Sense."

Each office of origin of the groups listed above should launch an immediate investigation to determine whether these groups could be connected in any way with any of the bombings which have occurred since January 1, 1957. In order to accomplish this, it will be necessary to determine the present leaders and membership of the groups and to establish the pattern of their activities during the pertinent period, that is whether they have advocated violence or are of such

a radical nature as to present a potential for violence. These cases must be assigned to mature, experienced Agents and must receive the personal supervision of the Assistant Special Agent in Charge or Special Agent in Charge. Careful planning must go into the approach to these investigations and it is expected the appropriate initiative and ingenuity will be exercised to achieve results. Sufficient manpower must be assigned in order that all investigation may be handled promptly and a determination can be made as to whether any of these groups are involved in the bombings. You must, of course, comply with instructions set forth in reairtel to develop sufficient informant coverage so that you will be advised on a continuing basis of the plans and activities of these groups.

Each office of origin must advise the Bureau within ten days of receipt of this communication that an investigation has been launched of the groups in its jurisdiction together with an outline of the investigative plan and the number of Agents assigned to carry out the investigation. Thereafter, reports must be submitted each thirty days until the Bureau advised to the contrary or until the group under investigation has definitely been eliminated as having any connection with the bombings. Of course, any significant development in the case should be promptly furnished to the Bureau by whatever means of communication deemed warranted. All communications and reports submitted concerning a specific group should bear the title of the group with the character Internal Security - X; Racial Matters. The original and four copies of reports must be submitted.

In connection with the over-all program, all offices must search their indices to determine whether there are other "hate" groups than those listed above. In the event any such groups are located in the search of the files the Bureau should be promptly advised of the identity of the group together with a statement as to whether investigation is being initiated. If investigation is not to be undertaken, complete justification for not so doing should be included in the communication to the Bureau.

All offices except the offices of origin in the groups listed above should search their files for information concerning the above listed groups and promptly furnish such

BS 62-3731

information, where not previously done, to the Bureau and the offices of origin. In addition all offices should contact logical informants and sources in order to develop any information available concerning the possible identities of individuals who may have some connection or knowledge of the bombings which have taken place since January 1, 1957. The Bureau should be advised by October 28, 1958, the results of file searches and the contacts with logical informants and sources and all offices should continue to be alert for and alert their logical informants and sources to promptly bring to their attention any pertinent information concerning bombings and attempted bombings. Such information should be promptly reported to the Bureau.

This is a program, which if exploited to its full potential, could well lead to the solution of the bombings. Therefore, it must receive continuous and expeditious attention."

In those instances where no Boston file number exists for the organization for which a copy of this memo has been prepared, it is recommended that a dead file be made.
